

Butte Environmental Council's 33rd Annual Endangered Species Faire Friends of the Faire

Holding an event as wonderful as the Endangered Species Faire for 33 years is quite a feat, and one that Butte Environmental Council is proud to have done! We have strived to keep the Faire FREE to everyone, and we will continue to do this as long as we have the generous donations of the **Friends of the Faire**.

This is an event for all ages, with environmental education being offered alongside music, entertainment, and live animal shows! The Faire is FREE, and every attendee will learn something new about the environment at each Endangered Species Faire.

**Saturday May 5, 2012
10:00 am to 4:00 pm
Cedar Grove, Bidwell Park**

Yes, I would love to support the Endangered Species Faire as a Friend of the Faire!

Name (Please print) _____ Amount of Donation* \$ _____

Address _____ City _____ State _____ Zip _____
